To Miss Lillian Wolin

FOR HER YEARS OF SERVICE to Whittier High School and its ideals as an earnest, modest and excellent teacher of the Mathematics Department. With her willingness to offer her time and talents, she has been an inspiration to her students and fellow-teachers alike.

FOR HER CONSTANT INTEREST in the progress and welfare of each one of her many pupils. Always patient, always eager to explain a problem for the umpteenth time, she has earned the admiration and friendship of every student who has had the privilege of being in one of her classes.

FOR HER DEDICATION TO DUTY during nearly thirty years as an outstanding teacher beloved and respected by all, the Annual Staff, representing the students of Whittier High, dedicates the 1954 Cardinal, a symbol of our appreciation, to Miss Lillian Wolin.

C. H. WENNERBERG
Superintendent and Secretary to the Board of Trustees

Each person finds, as he goes through life, that he has time and opportunity to do only a portion of the things which interest him. Yet, it is always surprising the number of activities one finds time to perform.

The limitations we experience are not so much devices of time as they are expressions of our lack of opportunity and initiative.

Happiness is rarely a passive emotion. It is usually an important part of some activity. Those who will search for a good life, and find it, will pursue happiness, to be sure. They will, in the process, pursue the opportunity to be useful and active.

For you graduates, and the rest as well, we hope that your experience here has introduced you to the means for a happy, active life. May you always reflect that you have had the opportunity to fill your time profitably.

"Every man of us has all of the centuries in him."

Gladstone's philosophy seems to sum up neatly the objectives of our American schools. It is true that we are never one moment away from the products and progress of man's struggle to better himself.

Hundreds of years of thought and research are reflected within our experiences and learning at school. Time teaches us to sift out that which is helpful and good from that which is not. Time teaches us to profit from the wisdom of our forefathers.

The years spent here at Whittier High School will stay a lifetime with you. It is our hope that your brief span of time with us has helped to point the way to a full and happy life in those years to come.

STUDENT DEMOCRACY IN ACTION

A.S.B. PRESIDENT—PETE TURNQUIST

A salute to our unruffled Associated Student Body President, Pete Turnquist. Here is an accomplished junior statesman, a logical and persistent worker who represents the Whittier Cardinals honorably and efficiently. Precocious, Reflective, often absent minded, and a thoroughly nice guy, he is our teen age study in comfort.

EXECUTIVES OF OUR GOVERNMENT

Capable and amiable Jim Roberts, vice president, is Whittier High's industrious, energetic, and efficient politician.

With her friendly, gracious smile to all, our attractive A.S.B. Secretary, Beverly Bruen, has endeared herself to each and everyone of her classmates. Quiet, serious, and unassuming, Bev is our idea of a competent and fun-loving leader.

With his original ideas, hard work, and long hours, Publicity Manager Charles "Chuck" Sullivan succeeded in making 1954 one of our greatest years publicity-wise.

Having suffered growing pains since last September, the Cardinal has finally emerged out of eight months of chaos. Led by one editor and two assistants (all driven to distraction by section members) the staff has known hours and hours of work, innumerable headaches, and many hearty laughs. CLASS OF '55

Social Chairman, Barbara Rosentrater, Secretary, Jackie Hughes, President, Dick Olson, Vice President, Wayne Hildebrand.

Led by Dick Olson and Wayne Hildebrand, the Junior Class contributed greatly to the school events of 1953-54. One of their most important projects was the fall play, "Sight Unseen." The Juniors efficiently handled all of the ticket sales and publicity for this activity. Another project of this energetic class was the always-popular marriage booth at the Sadie Hawkins Carnival. Barbara Rosentrater was in charge of organizing and supervising the Junior-Senior Prom.

The Whittier High School Varsity football team brought great fame to Cardinalville this year. The firm-handed direction of Coach Jack Mele and his assistant, Jack Fair, was a mighty factor in the success of the champion "pigskinners." Not only did the Cards capture the Pacific League Crown for two consecutive years, but also were finalists in the C. I. F. Playoffs, being defeated only by Santa Monica. The Redbirds wound up their memorable season with a ten win and two loss record.

FOOTBALL

Employing an explosive T formation attack, the 1954 Bee football team powered through a nine game schedule to finish undefeated and untied. Under coaches Sid Hendrick and Vic Lopez, the Cardbees rolled up victory after victory scoring a total of 285 points, while the defensive platoon held their opponents to only 63 counters.

The potent Card offense kept their opposition bewildered with smashing line play and deceptive ball handling. Early in the season, a highly rated Long Beach Wilson squad came to Whittier. Boasting an undefeated record, the Wilson club took the field against the Card middleweights. When the dust had finally cleared, the Cards had completely routed Wilson by a 32-0 count.

The Cards clinched the Pacific League crown late in the season when they met the Alhambra Moors. The Moors were also unbeaten, but fell to the Cardbees 20-13.

In his first season as head Bee coach, Sid Hendrick produced this fine squad. If this is any indication of future Hendrick teams. Whittier's Bee opponents will find it rough going against the Cards for years to come.

Whittier, as in previous years, once again proved itself to be one of the finest basketball schools in the league as coach Glen Kelly's hard fighting, sharp shooting quintet came on to bring home half the Pacific League championship even though they were strong underdogs. The Card's offense was built around big number 10, the 5' 10" deadeye center, Jim Hickox. Jim was chosen for the all-CIF team because of his superb efforts on behalf of the Whittier cage cause. Whittier surprised many by finishing league play with a 9-1 record, losing only one game to the Moors by one point. This year's team will be remembered as one of Mr. Kelly's better ball clubs.

BATTER UP!

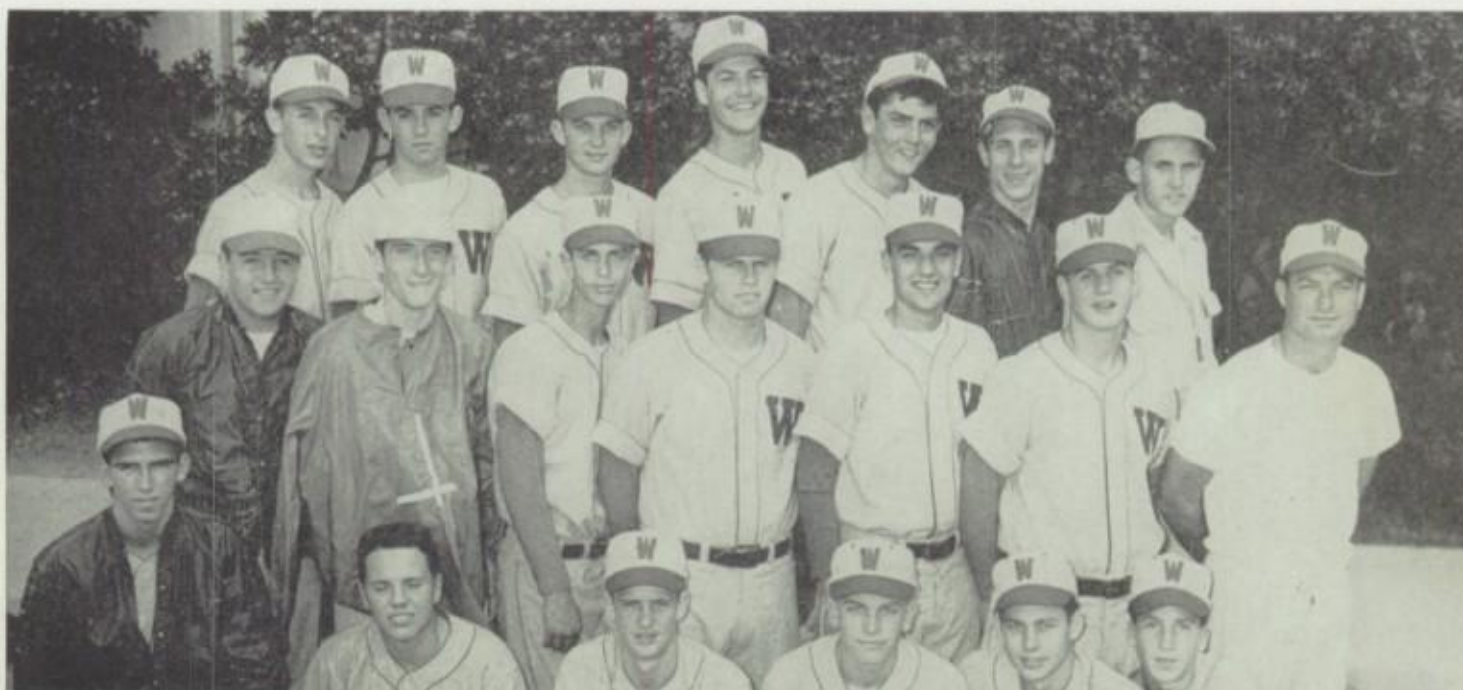

"BATTER UP!"

Looking unbeatable at times, the Cards compiled a better than average record this year. They showed they could compete with the best of them at the plate since they out-hit their opponents on almost every occasion. The Red Birds looked outstanding in practice games, losing but one. As the boys hit the league they continued to hit well but failed to capture top honors, unable to push across those much needed tallies.

EDITOR'S NOTE

Within the narrow confines of this annual, we have tried to rekindle a few priceless memories of the year, a pictorial record that may bring to life old memories of chats around the fountain, of dances, and of games, recalling to you many thrilling and wonderful experiences that will never again be recaptured.

It took many hours of hard work to complete this book, but I hope to find the satisfaction of a job well done, in student response to it.

Guided by our patient adviser, Mr. Denton, we have attempted to evolve a book of quality and perfection to represent the year of 1953 and 1954 at Whittier High School.

Professional advice was rendered by S. K. Smith and Company for the production of our cover, which was designed by Janet Arnold. In addition to our professional counseling were Stationers Corporation who performed a splendid job in composing and printing and engraving.

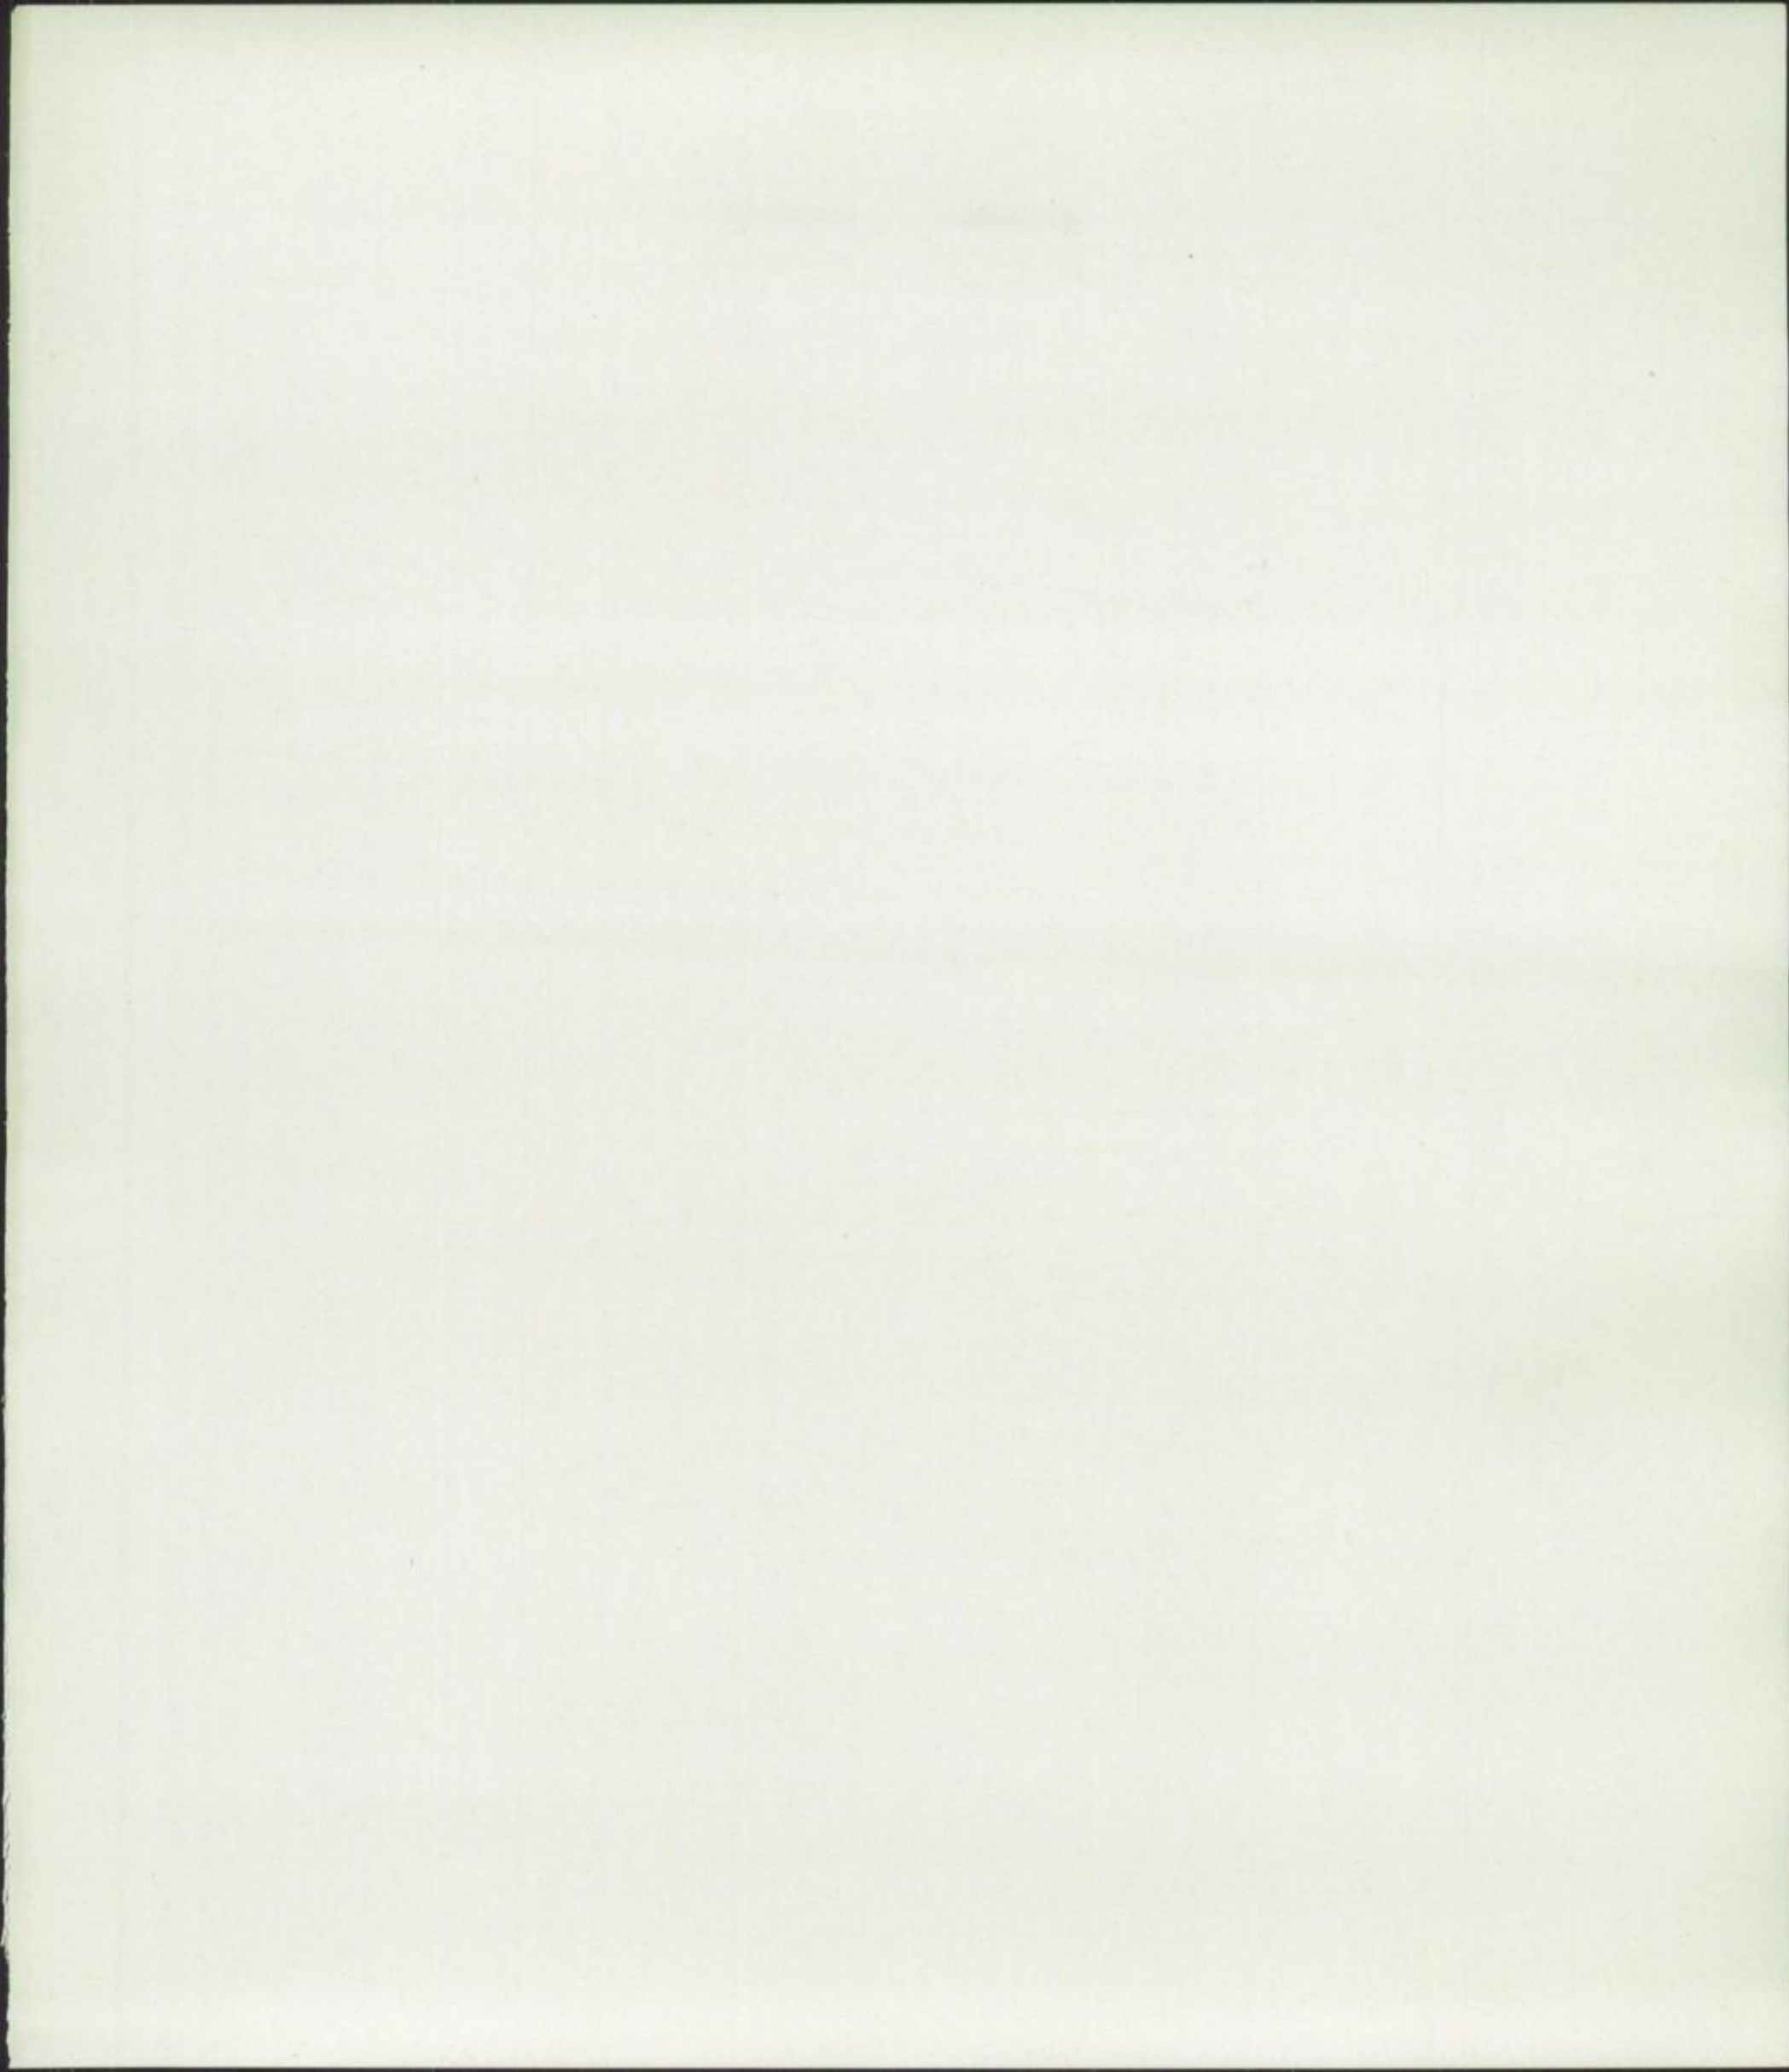

Fine pictures are essential in any annual, and I would especially like to express my thanks to Mr. Hemmerling and his photography class, and to Mr. Barton of Barton Studios.

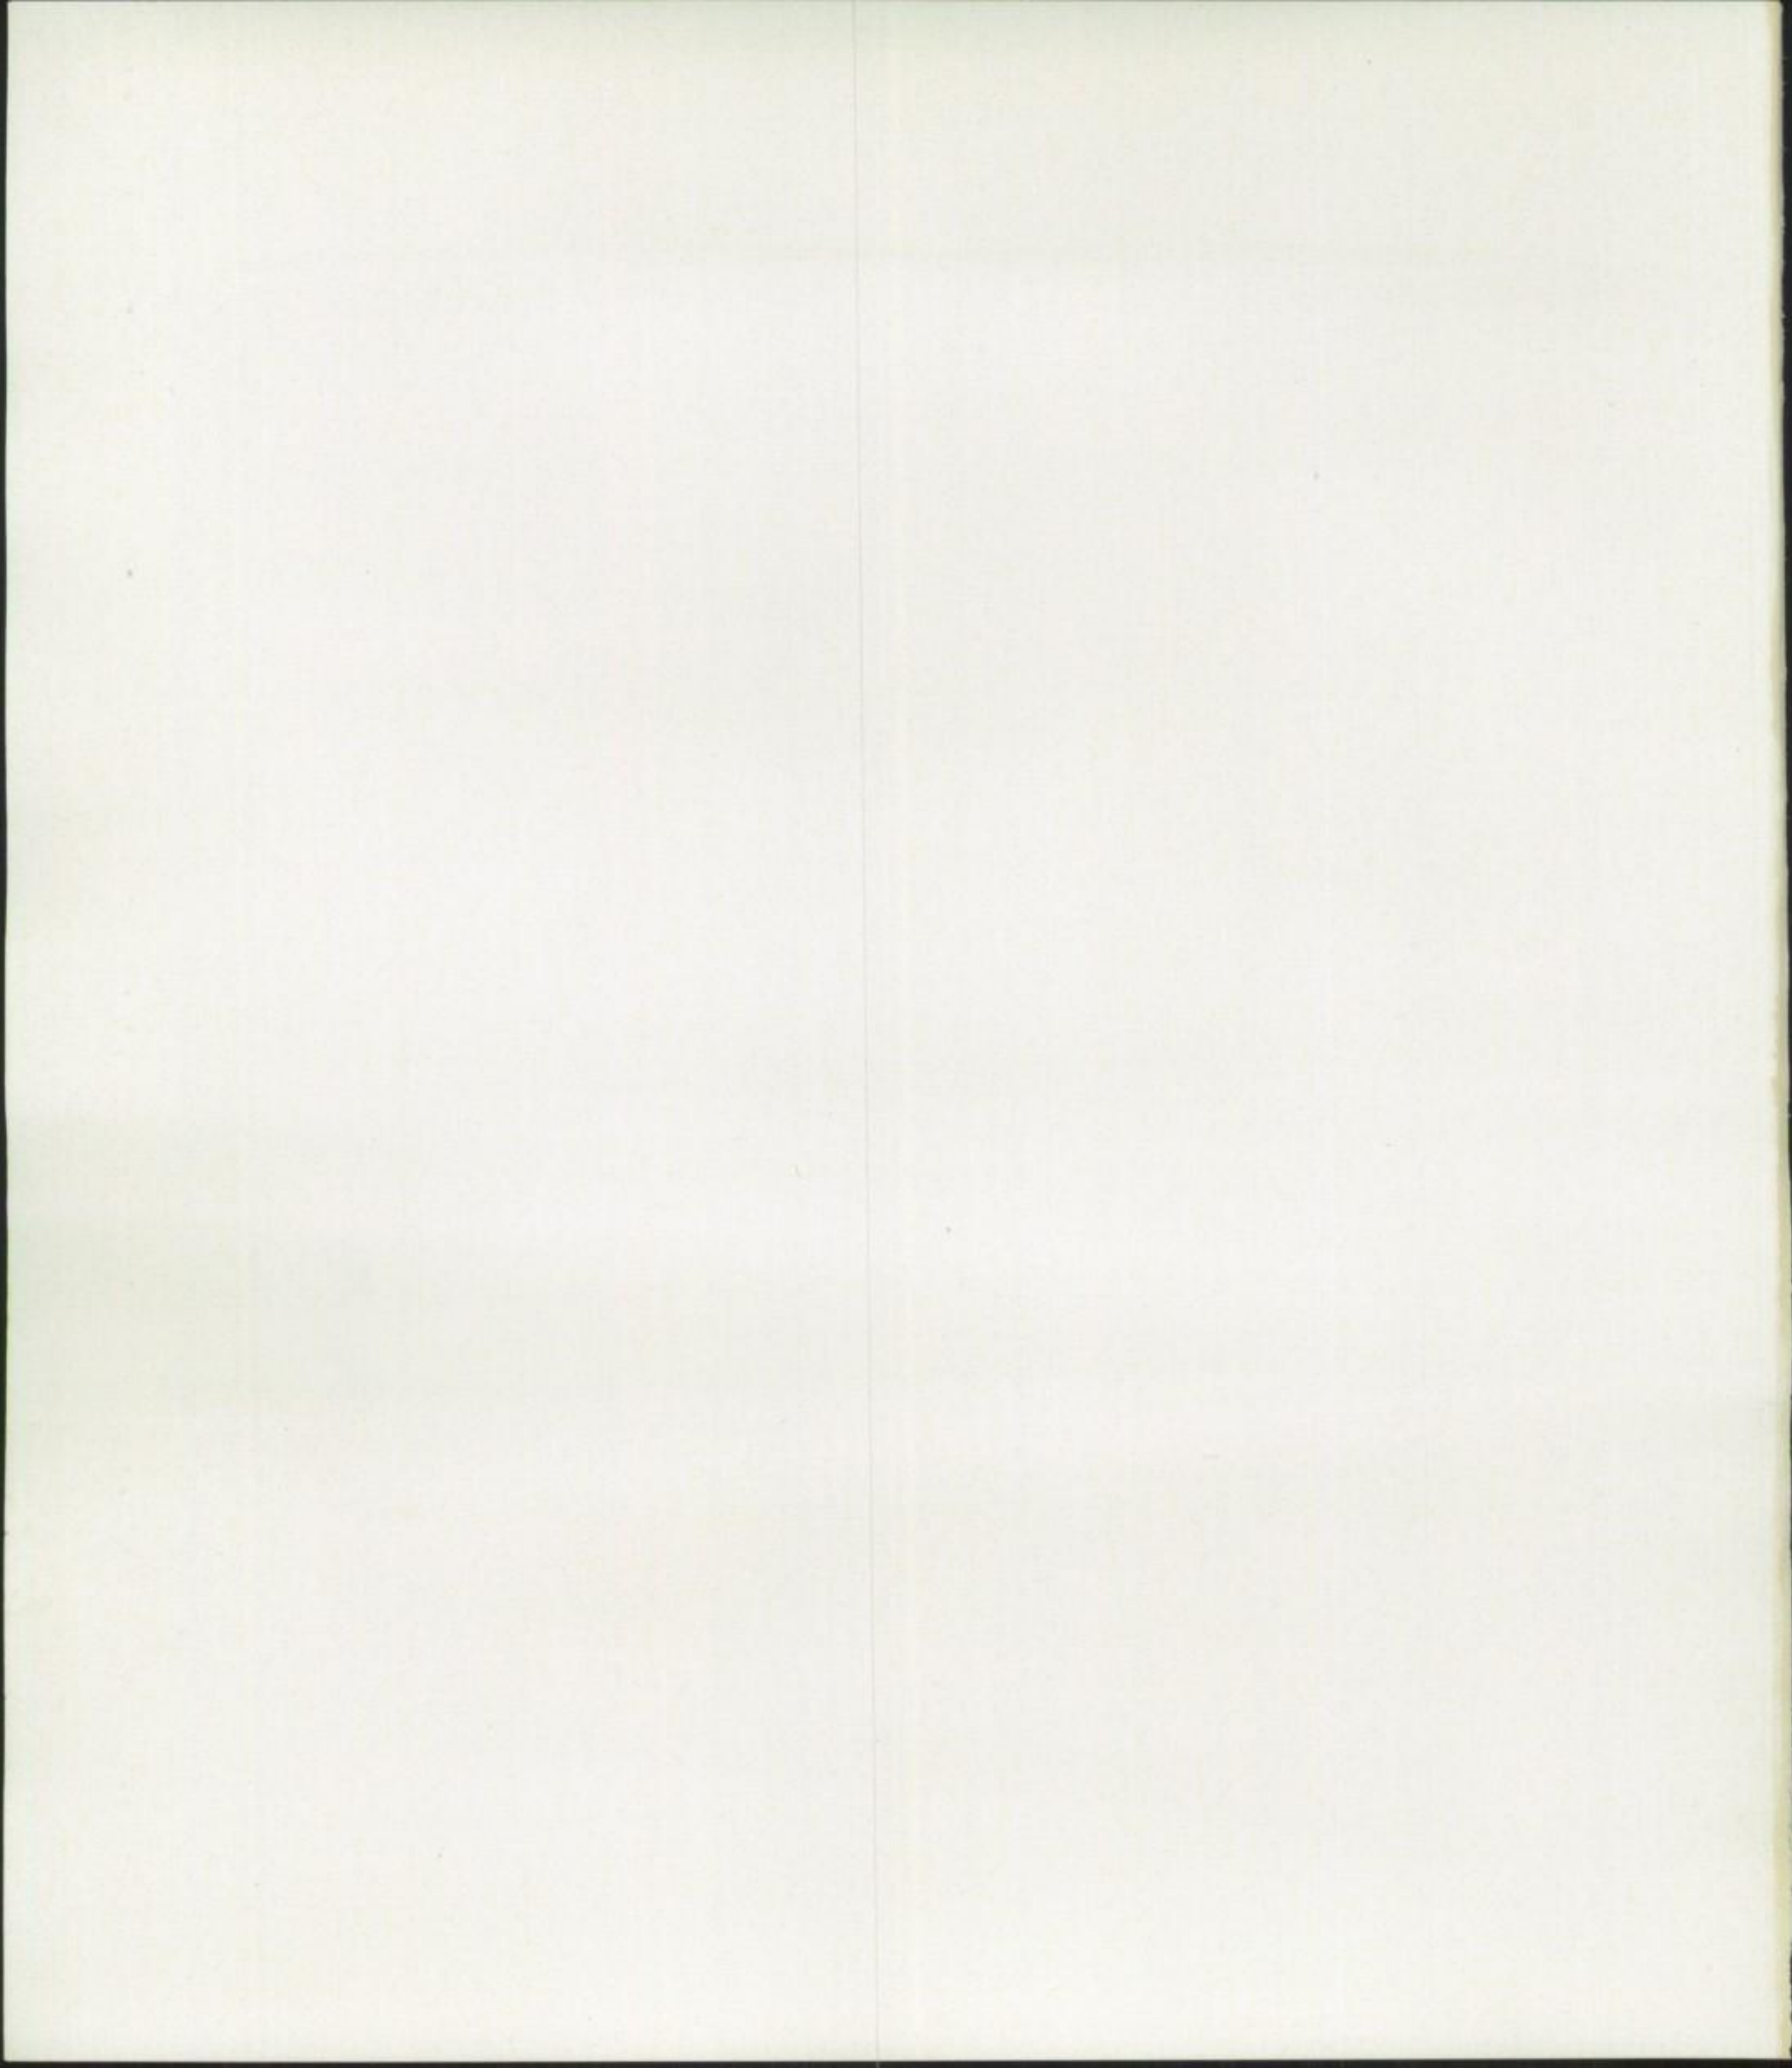

The rush to meet the deadline, the inevitable gossip and jokes, and the informal atmosphere are discovered in Whittier High School's annual office. It portrays the appearance of one big family, usually happy.

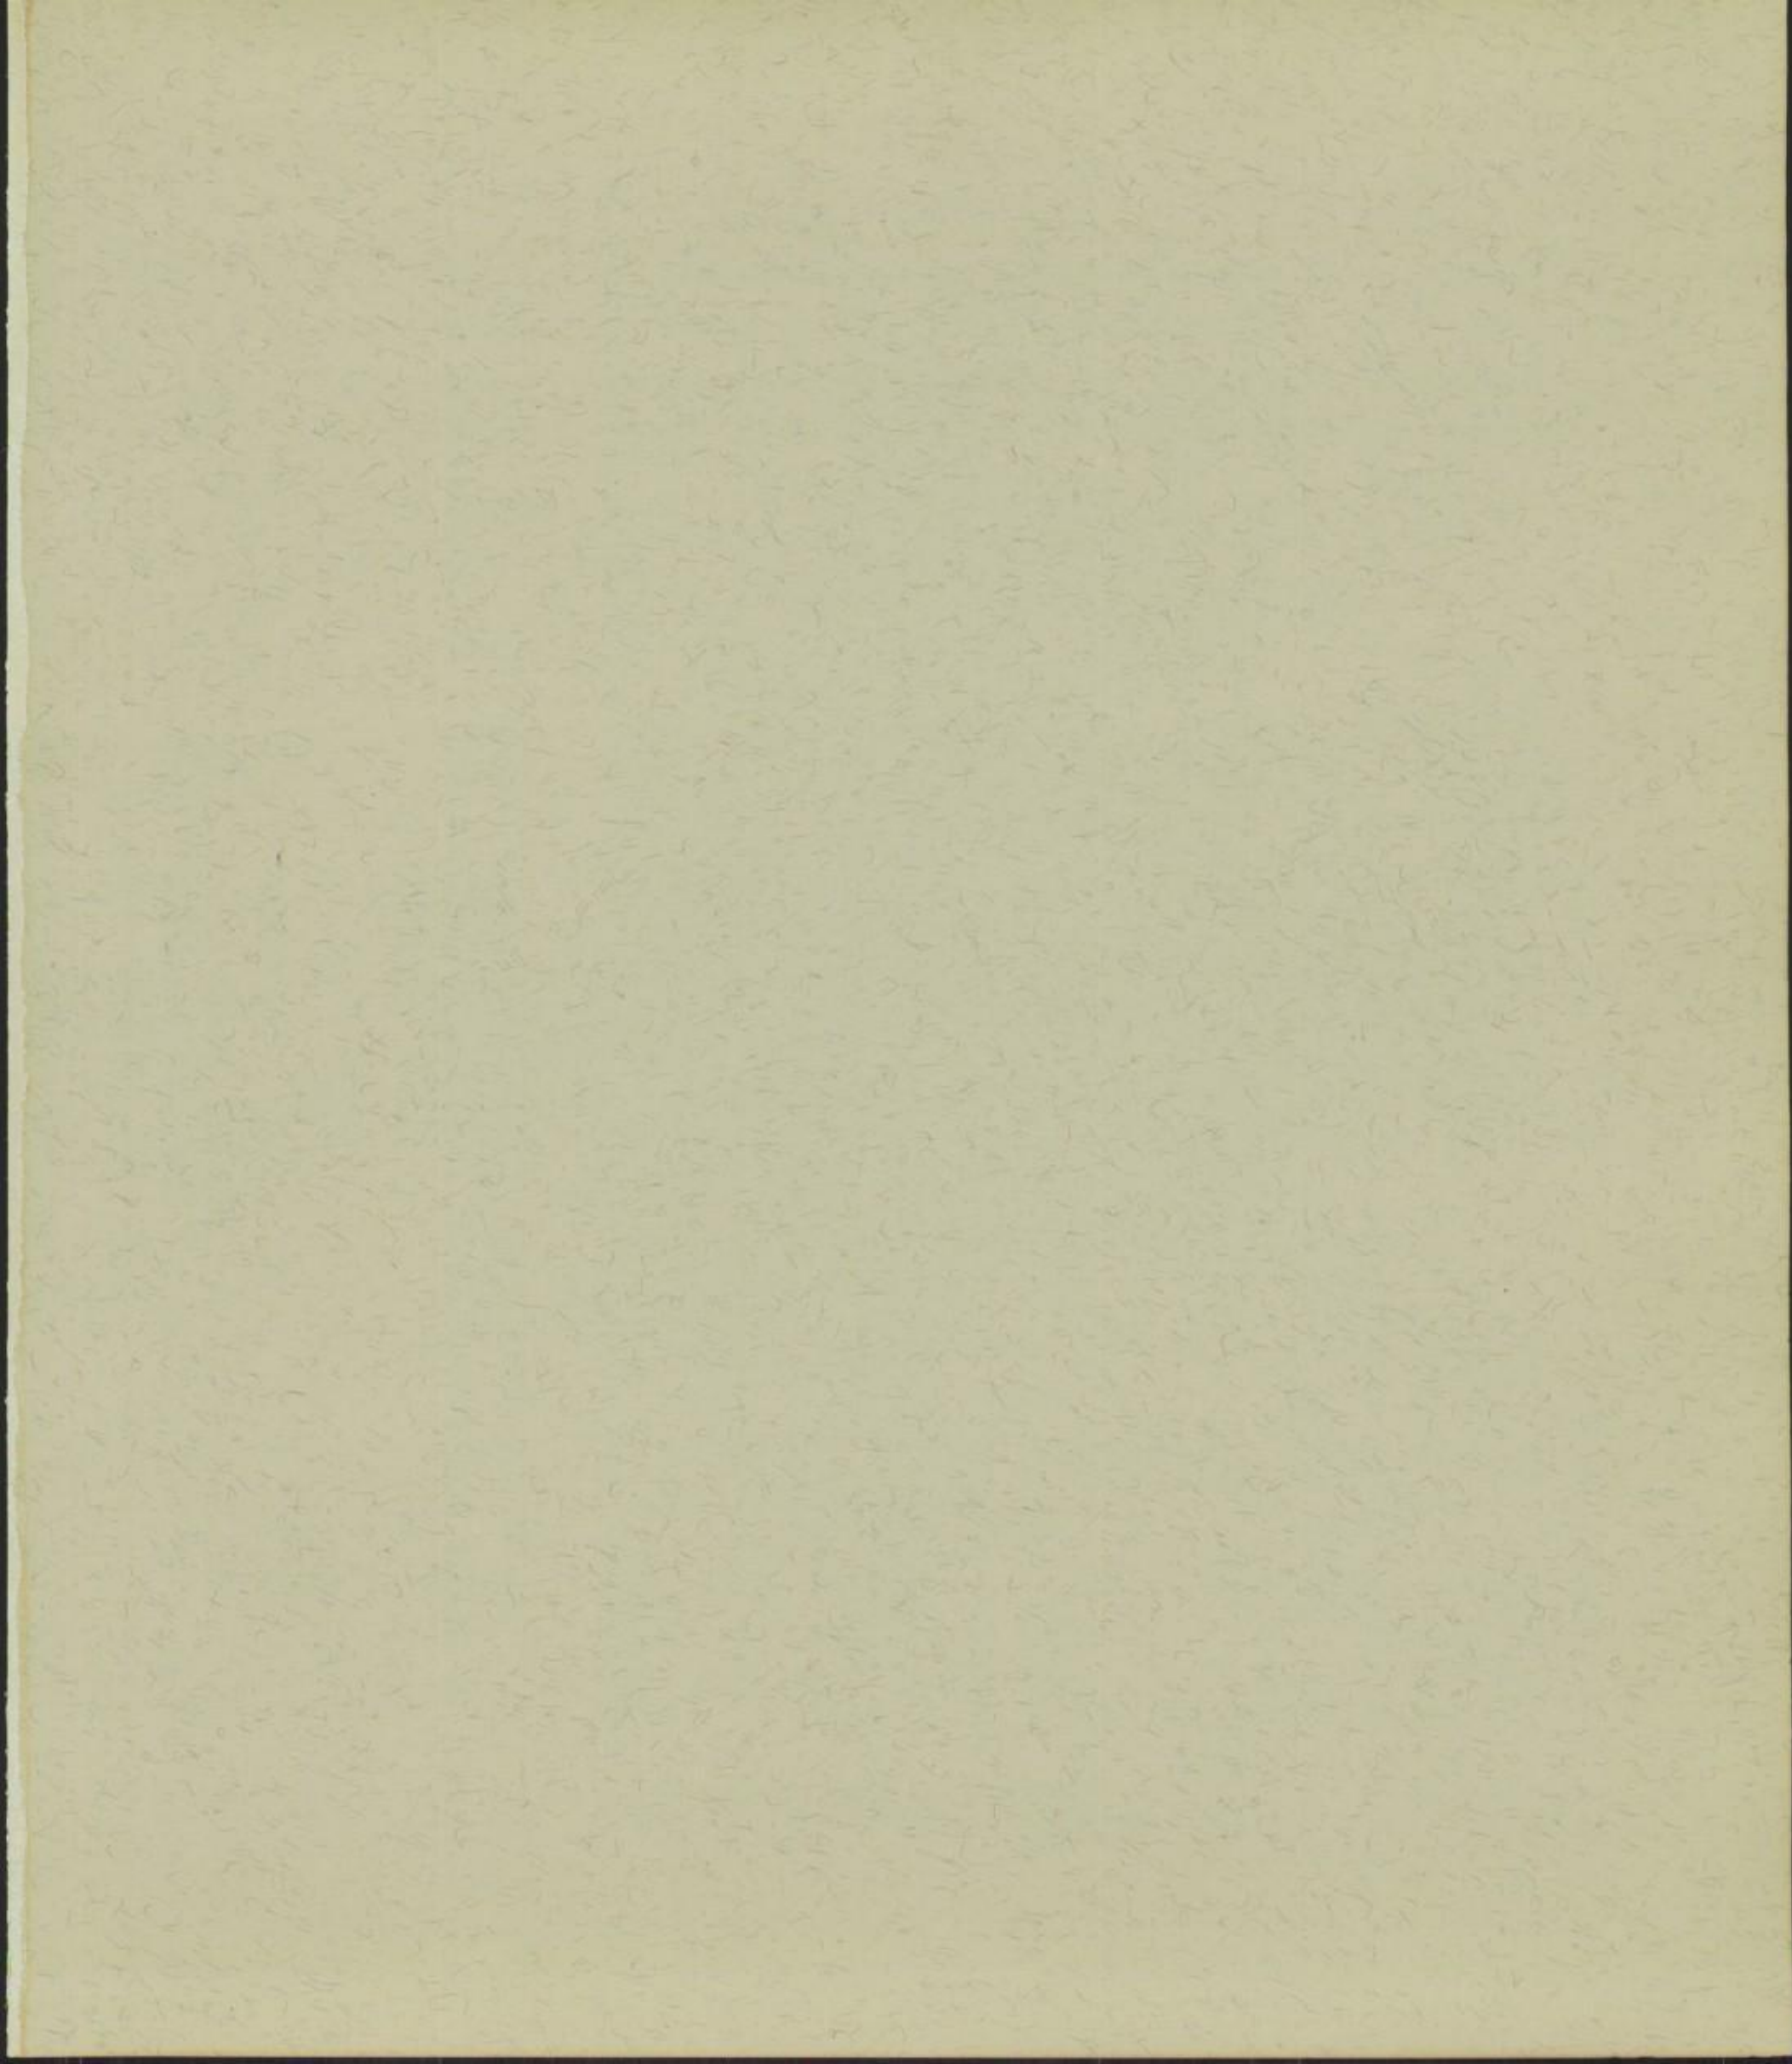

I am grateful to all the staff members who have worked together in this publication of the Cardinal yearbook.
